Policy

St. Odilia School will participate in appropriate Federal and State Funding Programs.

Procedure

St. Odilia School administration will encourage parents to complete all forms and comply with all eligibility requirements necessary to obtain funding from appropriate Federal and State Funding Programs. These include, without limitation, State and Federal Funding Programs relating to Guidance, Nursing and Textbook reimbursement. Parents are not required to have their children participate in any Federal or State Funding Program. Parents who elect not to complete all forms or comply with other necessary eligibility requirements for appropriate Federal or State Funding Programs are responsible for and will be invoiced for funds lost due to their election.
