## Tuition Responsibility

---

### Background/Rationale

In order to ensure that St. Odilia Parish School is on a sound financial basis, all tuition must be paid according to current tuition contract requirements.

### Policy Statement

Financial aid may be granted through the Financial Aid Committee at the time of registration for the next academic year or at any time during the current school year in the event of a financial emergency or hardship.

A family's tuition must be current before a student can be registered or start the new school year, unless financial aid has been obtained from the Financial Aid Committee.

### Procedure

1. Tuition must be paid in full by April 15.
2. Families who do not meet this requirement will lose their preferential treatment per Admission Policy #5111 and the student will not be considered registered for the new school year.
3. If a family receives financial aid, the tuition requirement will be reduced by the amount of the approved aid.
